About

Meet Dawn...

Dawn is the artist behind Dawn Nicole Designs, LLC. She is an Air Force wife & mom of three who believes kindness changes everything. While Dawn loves all things creative, she has a passion for hand-lettered typography & illustration. You can usually find her with a marker in one hand & a dark-roast coffee in the other.

Hand-Lettering Artist / Illustrator

Dawn's latest venture is lending her lettering & illustrative skills to license artwork. Her most notable clients to date include Hobby Lobby, TJ Maxx, Krispy Kreme Doughnuts, Casetify, and Silhouette America.

Video and Speaking

Dawn spoke at SNAP! Conference 2016 on the topic of Successfully Creating and Launching eBooks. Her first video class, Constellation Lettering, launches in April 2017.
